Dear Alumni,

We are writing today to ask for your support. Our hope is that you will reply with a gift today to in support of the Chattanooga Boys Choir.

Most people in Chattanooga know the Chattanooga Boys Choir for the Singing Christmas Tree and for its annual Pecan & Nut Sale. However, as I meet alumni here locally in Chattanooga and all around the country, they consistently tell me two things: which director they sang for and where they went on tour. There is no doubt that the directors and the experiences provided by the Chattanooga Boys Choir have impacted the lives of boys for decades.

We are asking for your support, as alumni, to help grow this organization and allow it to continue to develop the lives of young men for decades to come. It is not easy to convince a local business, or even a grant agency, of the value of the Chattanooga Boys Choir in this community beyond its musical endeavors. However, as my conversations with alumni such as yourself continue to reveal, in addition to a life-long love of music, the Chattanooga Boys Choir helps to nurture self-esteem, leadership, independence, discipline, and responsibility.

Please join me in supporting the Chattanooga Boys Choir. Gifts to the Chattanooga Boys Choir are tax-deductible, and all gifts will be recognized in our holiday and spring programs. Thank you for your gift!

Sincerely,

Vincent Oakes  
Artistic Director

Lee Davis  
CBC Board President
