

To the Parents / Guardians of:

Dear Parent / Guardian,

Since 1954, the Chattanooga Boys Choir has been developing character, discipline, leadership, global awareness, and a strong commitment to excellence by educating students in the art of singing. Its choirs have represented the community nationally and internationally on tours in Europe, South and Central America, Australia, and throughout the United States as well as right here in the Chattanooga community. Students in the four-tiered choir program range from third grade to twelfth.

Recently, your student had the opportunity to sing for me and the director of the training choirs for the Chattanooga Boys Choir. I believe your student has a strong musical interest and potential, and I would like to encourage them to participate in the Chattanooga Boys Choir. Students in this program gain skills in music and self-discipline as well as positive experiences that enrich their lives in many ways. The choir will be having Open House Nights in April, giving you an opportunity to learn more about the organization.

I hope you and your student will consider this opportunity. If you would like someone from the Chattanooga Boys Choir to contact you with additional information, please fill out the bottom portion of this letter and return it to me by \_\_\_\_\_.

Sincerely,

\_\_\_\_\_
